

RIB Challenge

This programme is ideal for hospitality or reward and recognition, combining interaction with creativity and a definite “WOW” factor. Set in the waters of the Solent, the stretch of water between the mainland and Isle of Wight, guests have the opportunity to spend the day racing across the Solent on RIB'S (Rigid Inflatable Boats). As well as being on board the Sunseekers they will be set a task of completing a range of cryptic and mental clues along a light hearted and humorous theme relating to different geographical locations, within a set timescale. Along the way additional points will be rewarded for creative photographs and for obtaining obscure scavenger items.
