

## THE APPRENTICES

As guests enter the 'Boardroom' they know that only high performance teams will succeed! For the next few hours their feet will not touch the ground as back to back assignments test their ambition, business flair and wits to the full. Once they open their sealed instructions there's no turning back and the exciting challenges will put everyone's skills to the test. Fluttering eyelids and flattering compliments won't help! The teams will have to work hard to impress as the 'Tycoon' and his assistants decide who is hired and who is FIRED!
