

Who Killed Lord Buckley?

Lord Buckley, Britain's lay about aristocrat has been found dead in his country mansion. The crime scene leaves many clues that will enable you and your team to find his killer, however all we need are Crime Scene Investigators who will leave no stone, plate or cup unturned. Your team of intrepid investigators are responsible for identifying Lord Buckley's killer. You have to find all the clues or the criminal will get away. Guiding you through this amazing adventure will be Ex Scotland Yard Senior Detectives, Crime Scene Officers or they could be Senior Forensic Scientists.

Crime Scene Investigator

What actual happens?

Colleagues are divided into CSI Teams (Between 8-10). Each team has a CSI briefcase with everything needed for the investigation. We then give each client full CSI Kit comprising: full one piece body suit a mask and gloves-which makes a great photograph!

The investigation, intrigue and fun begins. Our expert will then show you the following "hands on" events:-

Activity Examples:

- Take your fingerprints and examine them with a fingerprint microscope.
- Remove fingerprint marks from a variety of surfaces and compare them against three suspects
- Cast teeth marks using dental alginate
- Use FBI software to create Photo fits

The Event can be made into a half day or full day event

Added Extras

FREE photographs taken of Rookies in training (sent to lead client after event)

FREE unique CSI Key ring (containing client's fingerprints)

FREE CSI quiz to complete during the event

PRIZES for the winning team (Champagne, chocolate) and CSI tape for all clients
